Learn with the Family

This is a great way for the whole family to try golf. This family session will introduce all aspects of starting golf in a relaxed atmosphere of fun and education which you can enjoy with the rest of your family members.

Fixed cost £38 (1 Hour)

Fixed cost £70 (2 hours / includes golf course play)
(min 2 participants - max 5)

The Explainer

How It Works: The hoop is used in conjunction with a weighted Power Roller. You step inside the **Explainer** rest the Power Roller on the hoop and take your grip and stance in the centre of the **Explainer** with the Power Roller in the central ball position. The **Explainer** is then adjusted to the correct angle in order that you can swing the Power Roller on your optimum biomechanical swing plane.

Butch Harmon says: **Explainer** is the best training system I've ever seen in 40 years of teaching!

30 Minute Explainer lesson £20.00

OTHER COACHING COURSES
